

Wholesale Rates Layer 3 Opticomm Plans

Pricing:

Opticomm Plan	Charge Per Month (Ex GST)
12/1	\$43.63/month
25/5	\$55.00/month
50/20	\$64.00/month
100/20	\$80.00/month
100/40	\$89.09/month
250/25	\$107.27/month

*By default we do the service activation on the existing used port (\$99.00 once-off). For Opticomm the service activation charge applies for new and transfer services.

Service	Charge (Ex GST)	Unit
Service Activation Fee	\$99.00	Per occurrence
New Development Charge	\$272.73	Per occurrence
New Connection Charge	\$300.00 (without MATV*) ** \$500.00 (with MATV*) ** * MATV means multi-access television equipment connection is required. MATV is not available at all premises, Service Qualification (SQ) will confirm. ** specified price is maximum rate applicable (per NTD scenario). Lower pricing may apply to certain premises and, where this applies, will be indicated via Service Qualification (SQ).	Charged for: inaugural installation and connection of an NTD to the premises, inaugural installation and connection of additional NTD to the same premises or replacement of an existing installed NTD with a multi-port NTD at the same premise. Where the RSP is engaging the installation and connection on behalf of its End-user, the RSP will be invoiced these charges directly by Opticomm (and is responsible for paying this charge). Where the RSP is not engaging on behalf of the End-user, Opticomm will invoice this charge directly to the End user (and the RSP is not responsible for paying this charge) and advance payment to Opticomm is required by the End-user.
No Fault Found (No Truck Roll Required)	\$50.00	Service maintenance charges where no fault found or fault is outside of the Network (but no Truck Roll occurred).
No Fault Found (Truck Roll Required)	\$135.00	Service maintenance charges where no fault found or fault is outside of the

		Network (but Truck Roll occurred).
